- 3. Only drivers will be issued membership cards.**
- 4. One key will be issued to each 'individual' member and one to each family.**

5. There are 3 signatures required:

7. Please add your occupation to the form as this may help the club with repairs.

8. Please give a mobile phone number as texts may be sent with club information

9. ASKC Registration I would also like to bring your attention to the accompanying document ASKC registration form, any member/driver looking to compete in MSA licenced racing, it would be beneficial for said driver to register their race number with the ASKC.... The document has clear instructions on completion and where/who to send to.... This will save any disappointment on race day at signing on when a driver finds that his number has been taken, as registered numbers will always receive priority regardless of time when signing on took place

If you have any questions, please contact the membership secretary before posting the forms!
